Future of Cities 2017

Seeking Health + Sustainability

March 15, 2017

UCR Bourns Technology Center Auditorium, Riverside

Presented by:
Western Riverside Council of Governments, UCR Center for Sustainable Suburban Development, & APA Inland Empire Section

Wednesday, March 15, 2017
8 am - 2 pm

Future of Cities Seeking Health + Sustainability

Join us for the second Future of Cities Conference and help our region plan for a better, healthier future. This year's Conference will focus on the nexus of health and the economy, built environment, and transportation; how changing demographics are affecting quality of life trends; and how to improve health outcomes in inland Southern California overall.

- AICP Credits Pending -
